Project Progress:

Team Member (1): Jay

1. What did you accomplish today?
   Answer:
   Refactored some API code, fixed DTO casing, fixed Subscription life cycle, added background services to track dates, constrained database fields, finished /attendance endpoint and QR code endpoint, added Token Revocation
2. What will you do tomorrow?
   Answer:
   Go through API again and check if everything is okay.

3. What obstacles are impeding your progress?
   Answer:
   The deep and terrifying uncertainty of it all. The patience required to keep my foot up and leave it to the rest of the team. The strength needed to keep faith.

Team Member (2): Pansilu

1. What did you accomplish today?
   Answer:
   Got started in VS Code. Started migrating personal project into the repo. Created branch for own features. Controllers set up in some stages and buttons set.

2. What will you do tomorrow?
   Answer:
   Begin wiring frontend to backend and making calls to API where necessary.

3. What obstacles are impeding your progress?
   Answer:
   Pushing branch to remote repository. Figuring out how to converse with API.

Team Member (4): Sam

1. What did you accomplish today?
   Answer:
   Wired up Trainer login API auth, and profiles.
2. What will you do tomorrow?
   Answer:
   Complete profile page setup and styling.
3. What obstacles are impeding your progress?
   Answer:
   Not clear about requirements in frontend in comparison to backend. I.E. building things that were thought to be needed but weren't.
