**Team Member (1): Name: SAM**

1. What did you accomplish yesterday?

   Answer :

   Collecting ideas and data from other websites that can help us to design our project

1. What will you do today?

   Answer:

   Choosing and deciding our final elements for our website

1. What obstacles are impeding your progress?

   Making a one choice when it comes to selections

**Team Member (2): Name: PANSILU BUDDHADASA**

1. What did you accomplish yesterday?

   Answer: Almost done with researching other websites and materials to finalise our design

1. What will you do today?

   Answer: Today we both going to choose and finalise our colour palettes for the web design

1. What obstacles are impeding your progress?

   Answer: Coming upto a one decision is the hardest part , everyone got their own favourite colours

***"Alone we can do so little; together we can do so much." – Helen Keller***
